

DECLARATION AND POWER OF ATTORNEY
(Continuation-In-Part Application)

As below named inventors, we declare that:

1. The information given herein is true, and we believe that we are the original, first and joint inventors of the invention entitled:

ACTIVE AGENT TRANSPORT SYSTEMS

which is described and claimed in:

the attached specification or

☒ the specification in application
Serial No. 08/939,939,
Filed: September 29, 1997
(for declaration not accompanying application);

2. This application in part discloses and claims new subject matter as well as subject matter disclosed in my earlier-filed application(s)

Serial No. 08/763,183
Filed: December 10, 1996
For: Active Agent Transport Systems

3. I acknowledge my duty to disclose information of which I am aware which is material to patentability in accordance with 37 C.F.R. §1.56, including such material information which occurred between the filing date of said earlier application and the filing date of this application.

4. I have reviewed and understand the contents of the specification, including the claims, as amended by any amendment specifically referred to herein.

5. As to the subject matter of this application which is common to said earlier application, I do not know and do not believe that the same was ever known or used in the United States of America before my or our invention thereof or patented or described in any printed publication in any country before my or our invention thereof, or more than one year prior to said earlier application or in public use or on sale in the United States of America more than one year prior to said earlier application; said common subject matter has not been patented or made the subject of an inventor's certificate issued before the date of said earlier application in any country foreign to the United States of America on an application filed by me or my legal representatives or assigns more than twelve months prior to said earlier application.

As to the subject matter of this application which is common to said earlier application, I hereby claim the priority benefits under 35 U.S.C. 119, 120, or 365 of any application(s) for patent or inventor's certificate listed below. All applications for patent or inventor's certificate on this invention filed by me or my legal representatives or assigns prior to the application(s) of which priority is claimed as to the common subject matter are also identified below.
